

ORDERING WORK-READY TRUCKS IS EASIER THAN EVER!

Palfinger American Roll-off is pleased to announce a partnership with Fontaine Modification Company to install Cable Hoist Roll-off bodies in 4 configurations with 3 tarp options. This makes ordering a high-quality, work-ready truck for your customer dramatically easier! Fontaine provides chassis ordering assistance, installs the body and manages the logistics from the truck plant to the drive away company. **Contact Fontaine to get started!**

MODEL	CAPACITY	MAX. CONTAINER LENGTH	DUMP ANGLE	OPERATING PRESSURE	MIN. CLEAR CA/CT NO TARP	MIN. CLEAR CA/CT WITH TARP	MIN. GVW F/R
ARB 75-22	75,000 lbs.	22'	48	3,000 PSI	176"	186"	18,000/46,000
